NetCred (NTCR)

Earn, Govern, and Grow

Community Rewards

Rewards Every Click

Real-time NTCR payouts for engagement comments, shares, and content creation.

Pay-Per-Access

Use NTCR to seamlessly pay for downloads, unlock articles, and access media across participating sites.

ECOSYSTEM

Developer API

Simple integrations for websites and apps to tap into NetCred's token economy.

The Problem

Fragmented web reward systems force users to juggle platforms and hinder creator monetization.

Governance & Access

Reduces isolation and enhances emotional well-being

The Solution

NetCred unifies web engagement with one token and SDK, streamlining rewards and monetization.
